

OhioMATYC Distinguished Service Award

The OhioMATYC Distinguished Service Award has been established to recognize professors who have contributed to mathematics education. Nominations for the bi-annual OhioMATYC Award for Distinguished Service are to be sent to the chair of the selection committee. Self-nomination is not permitted.

Eligibility

1. The person must currently be a member of OhioMATYC.
2. The person must have at least five years college teaching experience in mathematically related courses.
3. Elected members of the executive committee are not eligible.
4. Previous awardees are not eligible for nominations until three other awardees have been recognized.

Guidelines for Nominations

The nominee should:

1. Have service to mathematics education locally and regionally and/or nationally.
2. Have been involved in professional presentations and publications related to mathematics education.
3. Have any other service or information not mentioned above such as awards, grants, other positions held, etc.

Procedures

The executive committee will serve as the selection committee. The chair of the selection committee shall be the past president. A nomination form will appear in the spring newsletter of the even year. Nominations must be received by the chairperson of the selection committee by October 15 of the even year (or before the OhioMATYC fall meeting if one is held), whichever comes first. Nominees will be asked to provide additional information.
