

# OhioMATYC Teaching Excellence Award

The OhioMATYC Teaching Excellence Award is given in even-numbered years to outstanding two-year college mathematics instructors. Winners of this award will receive an OhioMATYC plaque and \$100. Nominations for the bi-annual OhioMATYC Award for Teaching Excellence are to be sent to the Awards Coordinator. Self-nomination is not permitted. Teaching Excellence is the focus of this award.

## Eligibility

1. The nominee must currently be a member of OhioMATYC.
2. The nominee must have at least five years college teaching experience in mathematically related courses.
3. Elected members of the executive committee are not eligible.
4. Previous awardees are not eligible for nominations until three other awardees have been recognized.

## Guidelines for Nominations

The nominee should:

1. Demonstrate innovative teaching practices, alternative methods of assessment, and create a learning environment for all students while being accessible to students in and out of the classroom.
2. Actively participate in professional organization, giving presentations, and writing articles.
3. Interact with colleagues sharing and discussing ideas.
4. Actively contribute to the college community.

## Procedures

The executive committee will serve as the selection committee. The chair of the selection committee shall be the Awards Coordinator. A nomination form will appear in the spring newsletter of the even year.

Nominations must be received by the chairperson of the selection committee by the published date of the even year. The winner of the OhioMATYC Teaching Excellence Award will become OhioMATYC's nominee to the AMATYC Teaching Excellence Award if the Awardee is a member of AMATYC. Nominees may be asked to provide additional information.
